Cambridge Wide Open Day!

It was great to see some of you from the village community at Cambridge Wide Open Day - Thank you so much for joining us!

Highlights from the day included a sustainability talk, Campus tour and our summer market with outdoor games & food trucks!

Sustainability talk

Land & Ecology Manager, Matt
Antrobus

Campus tour

Chief Scientific & Innovation
Officer, Louise Jopling

Summer Market

We were joined by local
businesses & food vans!

We were delighted to welcome the Mayor of Cambridgeshire and Peterborough to Babraham Research Campus!

The Mayor visited South Cambridgeshire's leading life science hubs - Babraham Research Campus and Wellcome Genome Campus - to gain firsthand insight into the world-class science, innovation, and business growth taking place on site. Read more on our website!

Accelerate@Babraham Announces 2025 Cohort

Five life science start-ups focused on the development of new technology, products and services to positively impact future healthcare have been selected to participate in the Babraham Research Campus accelerator programme, Accelerate@Babraham. Held annually, Accelerate@Babraham is now in its seventh year. Since its inception, the programme has supported 32 early-stage enterprises. Read more on our website!
